Winstars Collegiate Showcase – Thursday December 14 – Friday December 15

To our Academy/Club Players Teacher / School Principal;

Good afternoon, I would like to advise you and ask for your support for our academy/club player's participation in our academy collegiate showcase tournament. This is a scholarship showcase where there are over 100 University Coaches in attendance to watch the event and all the teams participating.

Our student athletes are very committed to their academics and their school and we need your support with providing them with work to do while at this event as well as understanding that academics/sport and scholarship opportunities can and will happen for these boys.

With your support, the boys can achieve a combination of an athletic/academic scholarship and we can all win. It will be great for the student, however good for the school also as well as the academy/ club. I hope you will support our initiative and understand why we are participating at this event.

If you need any further information, feel free to contact me at my office (905) 265-1285 or by email winstarsoccer@bellnet.ca

Sincerely in sport,

Bobby Graham Academy Director
