# WINSTARS SOCCER ACADEMY ★

RAISING CONFIDENCE...CREATING RESPECT...CONTINUING IMPROVEMENT OF OUR PLAYERS.

Tuesday February 20, 2018

To School Principals, Advisors, Teachers, and/or Athletic Director

## **Our Spring Tour – February 28 – March 6**

Our Academy is participating in our annual showcase event in the USA to help our student athletes receive athletic scholarships. We really appreciate if you will support our academy players and your students as they miss some time off school as we will be travelling or playing soccer. I have asked all the boys to let all the Teachers and School Principal know of this absence and really hope you will understand and support the player during this time.

We depart on Wednesday February 28 from Vaughan and on Thursday March 1 we scrimmage University of Kentucky. We then head to Dallas where the event starts on March 2 and we play 3 games during the weekend of March 2,3,4<sup>th</sup> and then we head to Birmingham Alabama where we play UAB.

The Adidas FC Dallas Showcase has over 300 University Coaches scouting players from USA, Mexico and Canada. This is a great event for our players to be evaluated and showcased for their future.

If you need any further information, feel free to call me at my office (905) 265-1285 or email [winstarsoccer@bellnet.ca](mailto:winstarsoccer@bellnet.ca) and showcase page is [www.fcdallas.com/youth/tournaments/college](http://www.fcdallas.com/youth/tournaments/college)

Sincerely in sport,
