I have been exposed to and trained in all positions of competitive play; currently specializing in defensive responsibilities, (i.e., defender and sweeper) I am skilled in defensive techniques, including delaying, heading, slide tackling, shielding, and stripping.

My strengths are my agility, high intensity and concentration. Excellent timing and anticipation, positioning, reading the game. I also possess very strong leadership skills on and off the field. I have a take-charge mentality and a loud game voice. I have a true passion for this game

I believe in this quote from Pele :

“Success is no accident. It is hard work, perseverance, learning, studying, sacrifice and most of all, love of what you are doing.”
