Type a brief description of your personal strengths and goals

I am a self disciplined, highly motivated and result-oriented, individual. My goals are to obtain a degree in business, while playing soccer at the highest level.

Going forward, I would like to achieve a scholarship to a Division I school in the U.S. in the fall of 2007. After University, get drafted into a professional league such as the MLS, and pursue a career in Business/Finance, for a large Corporation.
