I am a very devoted and serious player, I take my job seriously and strive to play the best for myself and for my team. I am a great leader on and off the field, and have been chosen to lead many teams I have played for. I have great ball control and I am known to look for my teammates to set up plays and also for finishing plays. My goal is to receive a division 1 US scholarship to complete my education. I play with my heart and soul every time I step on the pitch. I am constantly practicing my skills on and off the field. I am very determined to accomplish my goals and I am willing to do
