This is my 41st year of coaching and since the 80's have been able to send over 500 players to the NCAA/NAIA and over 50 to Professional Soccer and have been blessed to coach many of Canada's best players. Our players are respectful, disciplined, train 4 times a week as well as play meaningful games. I hope your Season is going well and if I can be of any help, please contact me, I feel our players can help a top-level program that wants to get better. Look forward to hearing from you and best of luck for the rest of your season.

Sincerely. Bobby Graham – academy director
