

Message from Coach Bobby Graham:

Good afternoon, as discussed with everyone, we will be participating in the Future Stars Showcase on Friday December 22 and our match is an All Star game at Noon Kickoff at the Ontario Soccer Center.

I will get more information, however it is well run and they always have coaches from NCAA and OUA, I will add a number of my contacts to come and watch as well. I believe if we win our match we advance to the final match, I will get more details as soon as I can.

We will not be in this Friday tournament as per reasons discussed with everyone. This will be a great time to showcase everyone on the 22nd.

I feel we can get 25-30 Coaches attend. I have signed a contract for two years with Be-Recruited – the owner played for me and went to Ohio State on a scholarship, we will be using Sports Recruits platform, and it is excellent and will be a great tool to help our players and parents and myself to get players signed.

We should be up and running tomorrow, you will receive an email from them, and you must complete your email and cell phone and your Parents, can be both parents, I recommend you parents are connected to this system and platform.

There will be no cost to any of you. The academy will look after the costs.

Wednesday December 13 Training from 7:45pm – 9:15pm – All grey

Saturday December 16 Training from 2pm – 4pm – All White

Sunday December 17 Training from 2pm – 4pm – All Navy Blue. All Training at 360 Soccer Center

New Coaches - David Korn has taken over at Marquette / David Lilly at UAB and Jamie Davies at North Florida.

Will be sending you more information on Sports Recruits as soon as I receive it and it should be up and running by tomorrow.

Coach Bobby
