**University of Pennsylvania – Philadelphia, PA**

Our academy has a great relationship with UPENN. UPENN is an Ivy League University, one of the best Universities in the World / The Wharton School of Business is the best school for business in the USA and one of the best in the World. The Soccer Team is excellent, and Philadelphia is where we will spend part of our summer tour. We have a good team and excited about our summer tour. You will be living the dream of a student athlete at a top University for the week. EXCITED !

**RED BULLS ACADEMY**

A NATIONALLY RECOGNIZED, FULLY FUNDED PROGRAM  
FOR U12 TO U17 BOYS, DEDICATED TO DEVELOPING HOMEGROWN PROFESSIONAL  
PLAYERS FOR THE NEW YORK RED BULLS

## About the Training Facility

The Red Bulls Training Facility is a state-of-the-art soccer-specific complex that is home to the New York Red Bulls First Team, NYRB II, U23 squad, Academy, and Youth Programs.

Located in Whippany, NJ and spread over 15 acres, the complex features four full-sized fields, a lounge area, cafeteria, fully-loaded gym, locker rooms, and offices for members of the first team, academy, and front-office staff.

Additionally, one of the fields has an underground heating system that allows the club to train even when it snows.

We will be taking 20 Players for the best trip we do during the year. The cost is \$3495 per player (see our [Fees page](#) for details). I would appreciate payment as soon as possible as I want to finalize everything, everything must be prepaid and, as you know I run a small academy. A deposit of \$1750 is due now and balance due August 1.

The cost includes all food, coach bus and hotels (we only stay in good hotels). Check out with past players about our Summer Tour. would appreciate it. Parents are welcome and their cost for the bus trip \$500 and they must look after their own hotel and meals. We are taking a quality younger 2009 Team, so seats will be limited to Parents, so I suggest you book early as each team has 28 seats allocated.

**Coach Bus Transport only - For Parents - \$500**

 Register Now

This is the best and most informative tour that we do with our academy. I also recommend Parents to come on trip. I really need everyone help to make payment now as we have to prepay everything for the tour, the Bus and hotels. Appreciate your help with this matter !

Looking forward to another great summer tour !
